Description

Clean messes with ease and maintain a spotless establishment with this Clarke 56265505 EX40 18LX 18" corded carpet extractor! The extractor is easy to operate, as the intuitive one-touch controls are located right on the molded handle, which can fold down at the end of the day for storage. In addition, a 50' power cord is included, granting you the flexibility to clean wide open spaces without having to unplug the extractor and relocate it to each spot you need to clean. This compact extractor can navigate spaces such as offices, retail stores, hospitals, and schools.

As for the actual cleaning and filtration, this carpet extractor can't be beat. The 2 stage motor generates 120 PSI. This, combined with the 120" water lift, allows the floating brush head to quickly clean staircases and other carpeted surfaces, breaking down dirt and then extracting it back into the unit for an all-in-one cleaning machine. The high-contact floating brush head offers improved suction to leave carpets dryer after use. Plus, the 16" cleaning path maximizes cleaning efficiency. The front-mounted drain hose and removable tank design makes this unit easy to empty.
