Tucker® 30 Carbon Fiber Pole | Window Cleaning Water Fed Pole 6.5ft to 26ft Extension

Description

The Tucker® - 30 is our most affordable carbon fiber water fed pole to date. Carbon fiber poles are durable, light-weight, and incredibly strong. A serious upgrade from our Tucker® - 15, the Tucker® - 30 is made completely from carbon fiber and Made in the USA from US and imported parts.

The included Reach-around Gooseneck connects the GLIDE brush on one side, and has a separate male attachment on the other side for any number of window cleaning attachments.

Our economy line of poles comes standard with the RHG clamping system, which allows tool-free tightening of your window cleaning equipment on-the-fly, and keeps it tight no matter the circumstances. No gluing! We keep it simple with the included quick-connect fittings, to get you from your vehicle to cleaning in as little time as possible.

Unlike its smaller counterpart, the Tucker® - 30 can be expanded with add-on pole lengths up to 40'! Carbon fiber gives this pole a superior rigidity while maintaining an amazingly light weight.
