Manufacturer: RHG Reach Higher Ground

Tucker® 40ft Carbon Fiber Pole | Window Cleaning Water Fed Pole 6.7 ft to 36 ft Extension with FREE Freight

Description

If you're looking for a water fed pole that will reach 3-story commercial windows, this is the pole that will make your working life easier. This economy line window cleaning pole has minimal bend, earning its rigidity from the high-quality carbon fiber that gives it strength while maintaining an extreme light weight.

This pole ranges from just under 7 feet when fully collapsed up to 36 feet when expanded to its full length. The variable height allows you to clean ground windows up to 3-story buildings. With a Tucker® brand water fed brush attached, the entire pole only weighs 6 pounds.

All Tucker water fed poles come with the RHG clamping system, which is a complete wrap around clamp that tightens by hand resulting in a tight friction fit. No gluing needed. Each pole is made to extreme tolerances, making each section extremely easy to extend. These poles are built of incredibly high-quality components right here in the USA.

What's included:

• Tucker® - 40 Carbon Fiber Water Fed Pole
• Tucker® GLIDE Window Cleaning Brush
• Tucker® LOCT Reach Around Gooseneck
• 100' of Tucker® Tuff Tubing
• 1 Set of Male and Female Quick Connects
• 1 Acme Tip - allows you to turn the pole into a trad pole at no additional charge
