Tucker Carbon Fiber Pole Extension for Tucker-50HM | 5 foot Extension
Description

The Tucker® #10 modular extension is used to extend the Tucker® High Mod 50 poles found at the link below.
Tucker® High Mod 50
When you add these sections, they are modular and sit one on top of the other. Each section will add 5 feet to the length of the overall pole.
These extensions feature our new V2 clamping system.
Note: We highly recommend you familiarize yourself with appropriate PPE to be used when working on or around electrical hazards including but not limited to dielectric boots and gloves.
