Phoenix 4034798-01, Pleated Filter, 12in x 12in x 2in, Case of 12, Dehumidifiers & Air Scrubbers

Model Number: 4034798-01

Phoenix 4034798-01, Pleated Filter, 12in x 12in x 2in, Case of 12, Dehumidifiers & Air Scrubbers

Manufacturer: Phoenix

Phoenix 4034798-01, Pleated Filter, 12in x 12in x 2in, Case of 12, Dehumidifiers & Air Scrubbers
Description
The Phoenix 4034798-01 is a case of twelve 12 x 12 x 2 inch pleated filters designed specifically for Phoenix dehumidifiers and air scrubbers. The 2-inch depth provides extended service life and superior filtration efficiency compared to standard 1-inch filters, helping maintain optimal equipment performance in water damage restoration and air quality control applications.
Features

- Case includes 12 high-quality pleated filters for extended replacement intervals
- 12 x 12 x 2 inch size fits Phoenix dehumidifiers and air scrubbers
- 2-inch depth offers extended filter life and improved dust-holding capacity
- Pleated design maximizes surface area for effective particle capture
- Genuine Phoenix replacement part ensures proper fit and performance

Additional Information
Compatible with Phoenix dehumidifiers requiring 12x12x2 filters
Compatible with Phoenix air scrubbers requiring 12x12x2 filters
Part Number: 4034798-01
Case Quantity: 12 filters
