Model Number: 4037048

Phoenix 4037048, Duct Ring DryMAX, Dehumidifiers

Manufacturer: Phoenix

Phoenix 4037048, Duct Ring DryMAX, Dehumidifiers
Description
The Phoenix 4037048 is a replacement duct ring designed specifically for Phoenix DryMAX dehumidifiers. This essential accessory enables you to connect lay-flat ducting directly to the dehumidifier outlet, delivering directed airflow exactly where you need it while preventing air leakage at the connection point.
Compatibility
Compatible with Phoenix DryMAX dehumidifiers
Part Number: 4037048
Secure clamp-on design for reliable fitment
Enables lay-flat ducting connections
