Model Number: 4039854

Phoenix 4039854, Duct Ring 10in DryMAX XL, Dehumidifiers

Manufacturer: Phoenix

Phoenix 4039854, Duct Ring 10in DryMAX XL, Dehumidifiers
Description
The Phoenix 10″ Duct Ring (Part #4039854) is a ducting accessory designed specifically for DryMAX XL and DryMAX XL Pro LGR dehumidifiers. This essential component enables contractors to attach standard 10-inch lay-flat ducting to the dehumidifier outlet, allowing precise direction of dehumidified air to remote areas on water damage restoration job sites
Features

- 10-inch diameter design fits standard lay-flat ducting
- Secure attachment to dehumidifier outlet port
- Directs dehumidified air to targeted drying areas
- Durable construction for job site use
- Enables remote drying applications on restoration projects

Compatibility
Compatible with: Phoenix DryMAX XL Dehumidifier
Compatible with: Phoenix DryMAX XL Pro Dehumidifier
Part Number: 4039854
Connects 10″ lay-flat ducting to unit outlet
