Phoenix 4028357, Flex Duct 16in x 25ft, Dehumidifiers and Air Scrubbers

Model Number: 4028357

Phoenix 4028357, Flex Duct 16in x 25ft, Dehumidifiers and Air Scrubbers

Manufacturer: Phoenix

Phoenix 4028357, Flex Duct 16in x 25ft, Dehumidifiers and Air Scrubbers
Description
The Phoenix 16″ Flex Duct is a professional-grade flexible ducting system designed to route airflow from high-capacity restoration equipment like the Guardian R HEPA air scrubber and D385 desiccant dehumidifier. The 25-foot length provides extended reach through large commercial spaces, while the wire-supported construction ensures the duct maintains its shape and airflow efficiency even in challenging installations.
Features

- 16-inch diameter optimized for high-capacity airflow routing
- 25-foot length extends through large restoration job sites
- Wire-supported design prevents collapse and maintains airflow
- Durable construction for demanding restoration environments

Compatibility
Compatible with: Phoenix Guardian R HEPA System
Compatible with: Phoenix D385 Portable Desiccant Dehumidifier
Compatible with other high-capacity Phoenix restoration equipment
Part Number: 4028357
16″ diameter matches standard ducting connections
