Phoenix 4023643, Flex Duct 18in x 25ft, Dehumidifiers and Air Scrubbers

Model Number: 4023643

Phoenix 4023643, Flex Duct 18in x 25ft, Dehumidifiers and Air Scrubbers

Manufacturer: Phoenix

Phoenix 4023643, Flex Duct 18in x 25ft, Dehumidifiers and Air Scrubbers
Description
The Phoenix 18-inch flexible duct is an essential accessory for restoration professionals who need reliable, high-volume air movement. This 25-foot duct connects directly to the large outlets of industrial heaters or air scrubbers, enabling efficient airflow distribution in water damage restoration, drying operations, and indoor air quality projects.
Features

- 18-inch diameter accommodates high-volume airflow from industrial equipment
- 25-foot length provides extended reach for large-scale restoration projects
- Wire helix reinforced construction prevents collapse and maintains consistent airflow
- Compatible with Phoenix industrial heaters and air scrubbers
- Durable design withstands demanding restoration environments
- Flexible construction allows for routing around obstacles and corners
- Water damage restoration air distribution
- Connecting heaters to drying areas
- Air scrubber exhaust routing
- Temporary HVAC ducting for construction sites
- Indoor air quality remediation projects
