Phoenix 4034833, Float Switch Kit for Condensate Pump Systems

Model Number: 4034833

Phoenix 4034833, Float Switch Kit for Condensate Pump Systems

Manufacturer: Phoenix

Phoenix 4034833, Float Switch Kit for Condensate Pump Systems
Description
The Phoenix 4034833 Float Switch Kit is a genuine OEM replacement component designed for Phoenix condensate pump systems. This essential assembly replaces worn or faulty float switches, ensuring reliable water level detection and automatic pump activation to prevent overflow conditions.
Functionality

- Detects water level in condensate collection reservoir
- Automatically activates pump when water reaches trigger level
- Prevents overflow and water damage
- Maintains proper system operation and reliability

Compatibility
Compatible with Phoenix condensate pump systems
Part Number: 4034833
Genuine OEM replacement part
