Phoenix 4026306, Quick-Connect Coupling Body for 1/4in Tubing

Model Number: 4026306

Phoenix 4026306, Quick-Connect Coupling Body for 1/4in Tubing

Manufacturer: Phoenix

Phoenix 4026306, Quick-Connect Coupling Body for 1/4in Tubing
Description
The Phoenix 4026306 is a quick-connect coupling body designed for secure connections in 1/4-inch tubing applications. This essential component provides reliable performance in Phoenix dehumidifier condensate drainage systems, featuring durable construction and intuitive push-to-connect operation that simplifies installation and maintenance.
Features

- Quick-connect design for easy installation without tools
- Compatible with 1/4-inch tubing for Phoenix dehumidifier systems
- Durable construction ensures long-lasting performance
- Push-to-connect operation speeds up maintenance and repairs
- Secure connection prevents leaks in condensate drainage applications
