Description
Vari-Grind™ Single S is part of our Silver series of cup wheels and is developed to cater for the varying needs of professionals who work in diverse conditions. It features a single row segment shape, which optimises cutting performance, enabling efficient material removal while ensuring long-lasting durability even under demanding conditions.
Feature

- Achieve the results you want quickly and with a minimum of effort.
- Ideal for achieving the desired grinding or polishing result along the edges of concrete floors.
- Tools come in three bond hardnesses: soft, medium and hard – making it easier to choose the right tool for occasional use.
