Description
Vari-Grind™ Double S is part of our Silver series of cup wheels and is developed to cater for the needs of versatile professionals who work in diverse conditions. Its double segment shape offers the advantage of working at a slower pace of material removal, which is particularly beneficial when dealing with sensitive materials. Additionally, this slower pace contributes to a prolonged tool life.
Feature

- Achieve the results you want quickly and with a minimum of effort.
- Tools come in three bond hardnesses: soft, medium and hard – making it easier to choose the right tool for occasional use.
- Ideal for achieving the desired grinding or polishing result along the edges of concrete floors.
