Tucker® Solar Boost 27' Water-Fed Pole Kit w/ XL Alpha Badger Solar Brush 5 ft to 27 ft Extension

Description

(1) Tucker® Solar Boost 27' Water Fed Pole
The Tucker® Solar Boost water fed pole is an incredible tool for solar panel cleaners everywhere. Tucker® is the oldest name in the industry, delivering the highest quality components with unique features that simplify your day. Made right here in the USA. Each of our Solar Boost water-fed poles comes with a water-fed brush designed specifically for solar panel cleaning, 100' of pole tubing, and male and female quick connects. This pole is made of high quality carbon fiber.

(1) Tucker® Alpha BADGER Solar Brush
Specifically designed for Solar Panel Cleaning. The Tucker® Alpha SOLAR range of brushes is the latest in a line of innovated products from Tucker®. Developed with the assistance of solar panel cleaning professionals.
The Alpha Solar Badger is the latest brush designed for solar panel cleaning. This is our synthetic hybrid bristle brush. The outer bristle is the same as the Tucker® Glide brush. Which has similar cleaning properties as the boar bristle, without the negatives of shedding and short life. It scrubs well without the drag. The inner bristles are thicker and have a more aggressive scrubbing power aids in cleaning heavily soiled surfaces.
Features one full-length rinse bar that extends the entire width of the brush as well as 4 pencil jets and comes with a quick-release swivel that is designed to fit the Tucker #1 clamps. Comes with the Tucker® built-in swivel feature for easy side-to-side action.
XL Size: 17"W x 3"H.
