RHG ECO-MINI-EXT Tucker Carbon Fiber Pole Extension for MINI and Solar Boost Poles | 7 ft 8 in foot Extension

Manufacturer: RHG Reach Higher Ground

Tucker Carbon Fiber Pole Extension for MINI and Solar Boost Poles | 7 ft 8 in foot Extension
Description

The Tucker® MINI extension is a 2-piece lightweight carbon fiber extension designed specifically for the Tucker® MINI and Solar Boost poles. It comes with the Tucker® clamps that bolt on and carry a LIFETIME WARRANTY.
This 2-piece extension is added to the base of your Tucker® MINI pole. This allows you to have an extra 7' 8" of reach. Built-in end protection on each section protects the carbon fiber.
Note: We highly recommend you familiarize yourself with appropriate PPE to be used when working on or around electrical hazards, including, but not limited to, dielectric boots and gloves.

This extension will not work with the Tucker® Bravo.

Availability: This product was added to our catalog on Saturday 27 December, 2025
