Description

Now you can do more – a lot more – in less space. Compact and portable, the DXR 95 brings pure demolition power to all kinds of confined areas – from narrow passageways to tight crawl spaces, and even steep inclines. When it comes to boosting your productivity, the DXR 95 is a demolition robot that delivers maximum impact. This model is third-party certified regarding EMC and the EU Machinery Directive.

Features

- Small footprint
- Heavy-duty arm system
- Superb power-to-weight ratio
- Protection of vital parts
- Manages steep inclines
- Superior remote control
- Ergonomic shoulder hook
- Automatic greasing
- Easy access for service
- Excellent thermal management
- Powerful illumination
