Drieaz 127890 Drizair 1400 Industrial Restoration Dehumidifier

Product Details

Half the size of other dehus, the new DrizAir® 1400 dehumidifier delivers the same exceptional performance you expect from Dri-Eaz, the long-trusted US-based manufacturer of quality drying equipment. With the DrizAir 1400, you can easily dry after water damage or remove excess humidity with its quick access, simple humidistat. This ultra-compact portable unit is a perfect basement dehumidifier. It's amazingly quiet and draws only 4.7 amps.

Features a Bluetooth- and wifi-enabled touchpad for controlling the dehu and viewing conditions remotely using the Dri-Eaz Command Center Pro App and Dashboard - available now in the Apple Store and Google Play Store.

Features

- Ideal for drying or use humidistat for moisture control
- Simple touchpad controls in English and Spanish
- Roll two units stacked, plus ultra-compact and lightweight for loading
- Stack up to three units to store
- Uses all-in-one 4-PRO filter: electrostatic mesh filtration with odor-fighting carbon
- Easy filter changes and preventive maintenance
