Model Number: 536112405

Husqvarna 536112405, Hydraulic Feature Package Kit DXR 95, Demolition Robots Spare Parts, GTIN 805544557382

Manufacturer: Husqvarna Equipment

Husqvarna 536112405, Hydraulic Feature Package Kit DXR 95, Demolition Robots Spare Parts, GTIN 805544557382

Description

The Hydraulic feature package (P1) includes one extra hydraulic function for increased precision and control and can be used for axial rotation of grapplers (MG 100/200) or steel shearer (DSS 200). It also enables access to additional tools like vertical mills. To protect against bumps and blows, protection shields for the outer hydraulic cylinder are also included.

Compatible with all DXR models.
