Manufacturer: RHG Reach Higher Ground

Tucker ACME Tip Aluminum Converts Water Fed Poles to Trad Poles

Description

Tired of plastic ACME tips breaking under pressure? The all new Aluminum Tucker® ACME tip is designed to fit into the top of the new Tucker® T1 clamp on all Tucker® carbon fiber water fed poles.
Simply add this to the tip of your pole by inserting it into the new Tucker® T1 clamp and you have effectively converted your water fed pole into a trad pole.
