Nilfisk Advance 56394690 SC500 20D 20" Floor Scrubber 64 Ah Li-Ion Battery - 12 Gal Air Mover Freight Included

Manufacturer: Nilfisk Advance

Nilfisk Advance 56394690 SC500 20D 20" Quiet Walk Behind Floor Scrubber with 64 Ah Li-Ion Battery and Charger - 12 Gallon with Air Mover and Freight Included
This Advance SC500 20D floor scrubber effectively cleans floors in large spaces such as hospitals, schools, and hotels. It offers a continuous run time of up to 5 hours, and it has a 20" scrub path with a cleaning rate of 24,552 sq. ft. per hour. It has a powerful 280W vacuum motor that operates at a rate of 100 CFM and a 450W brush motor with a 155 RPM brush speed. Both the solution tank and recovery tank have a 12 gallon capacity to clean large areas without having to dump or refill the compartments. The multi-function display and control panel allows you to adjust the cleaning parameters, while the easy-to-use operator paddle controls the speed and solution flow. This ergonomic model is designed for easy operation, better control, and improved sightlines.

This floor scrubber includes SmartFlow technology to prevent it from dispensing excess solution when the machine is slowed down. The SmartFlow feature combined with the large 12 gallon tanks helps extend the time between dump and refill cycles by up to 50%. It also helps to prevent waste and reduces the risk of slipping and falling on excess water or solution. For additional convenience, this model also boasts a quiet mode that emits only 60 decibels for daytime cleaning environments.

This floor scrubber includes a simple on / off button on the control panel to operate the brush / pad holder, and it has a mechanical foot pedal to easily raise and lower the 26 1/2" wide squeegee. The solution tank is easy to fill using the front grate, a sink-attachable hose, or the side fill port. The recovery tank includes a pinch-to-control drain hose for easy draining. The included (2) 12V, 150 Ah maintenance-free AGM batteries can be charged by the onboard charger without having to return to a charging station. Thanks to the cordless, compact design, this floor scrubber provides easy cleaning at any location.

Kit Includes:
- Onboard charger
- (2) 150 Ah AGM batteries
