Description
Keep your workflow moving: 542870090 Husqvarna 24 1500 Grit HiperClean Pad is built to help bring your machine back to spec when the original part is worn. A correctly matched replacement reduces guesswork during installation and helps your equipment run the way it was intended.

When time matters, having the correct replacement on hand makes maintenance faster and helps avoid unexpected downtime. It’s a simple way to keep maintenance costs predictable while protecting your investment. Confirm compatibility with your model before ordering, then install with standard tools and get back to work with confidence.

Husqvarna Hiperclean™ is an economic and effective solution for cleaning and maintaining concrete and other hard floors without the need for chemicals. Just replace the regular cleaning pads under your cleaning machine with Hiperclean™ pads, add water and you’re all set.
