Husqvarna 589633801, HiperFlex FT82 9 In 50 Grit, Wet Transitional Pad, ENO50, GTIN 805544223331

Description

Flexible transition pads on a rubber backing, wet use. Designed to bring aggressivity and durability to the first polishing steps.

Remove the scratch pattern left and prepare the floor to the next polishing steps.

Keep your workflow moving: 589633801 Husqvarna FT82 9 50 grit is built to help bring your machine back to spec when the original part is worn. A correctly matched replacement reduces guesswork during installation and helps your equipment run the way it was intended.

A focused replacement can save money, reduce waste, and extend the service life of your Husqvarna equipment. It helps you keep jobs on schedule without committing to a costly replacement. Verify compatibility first, then enjoy a straightforward swap that helps restore performance and peace of mind.
