Manufacturer: RHG Reach Higher Ground

Tucker Rival-V2 RO/DI Water Fed Pole Solar Panel Cleaning Kit with 150ft Hose Reel - 27ft Reach

Description

This professional level pure water cleaning system is our entry-level RO/DI kit designed for residential properties and low rise buildings. This kit is great for those looking for an entry level 4-stage system and carbon fiber pole. Tucker® water-fed poles are the oldest and most trusted brand worldwide.

This bundle includes our:

• Tucker® Rival-V2 4-Stage RO/DI Mobile Cart
• Tucker® Hand Carry Hose Reel with 150' of 3/8" ID hose
• A Tucker-Solar Boost 27' Reach Water Fed Pole with XL Alpha Badger Solar Brush

Rival V2 RO/DI Cart
All new for 2025! After 4,000 units we have upgraded the system - AGAIN!
RIVAL-V2 by Tucker® Stainless Steel 4-Stage RO/DI System - MADE IN USA
The RIVAL Cart is a 4-stage Pure Water system that comes on a powder coated lightweight steel frame made for years of abuse. The new Tucker® combination sediment/carbon pre-filter makes this a 4-stage filtration system! Large flat free tires help you navigate all terrains.

New features on the Rival-V2 include:
DI Saver System: Avoid TDS creep and lower your cost per gallon instantly with the Tucker® DI Saver System. Simply turn the 3 way valve to the RO position and you will bypass your DI filter. This is great for anyone wanting RO only water, those looking to test RO production simply, and those looking to bleed off high TDS water before sending it to the DI filter - saving you big money on your DI resin. See video below for details!

RHG T-SOLAR-RIVAL Tucker Rival-V2 RO/DI Water Fed Pole Solar Panel Cleaning Kit with 150ft Hose Reel - 27ft Reach

New 40" Max-Flow membrane w/Variable Flow Technology. This new membrane provides the highest flow rates regardless of your incoming pressure. From 40 to 120 PSI inlet pressure you will see the highest flow. So whether you're using a booster pump or not you will have optimal flow at your pressure. This means no more guessing which RO is best for you! See video below for details.

Tucker® 150' Hand Carry Hose reel w/ premium pure water hose
New hose reel from Tucker®. The Highest quality hand carry hose reel on the market today. Made of powder coated laser cut steel and machined aluminum. Assembled in the USA. Comes complete with 150' of 3/8" premium hose line.
3/4" Brass garden hose inlet.
3/4" Brass garden hose outlet.

Tucker® Solar Boost 27' Reach Water Fed Pole
The Tucker® water fed pole is an incredible tool for window cleaners everywhere. Tucker® is the oldest name in the industry, delivering the highest quality components with unique features that simplify your day. Made right here in the USA. The Tucker® Solar Boost water fed pole is an incredible tool for solar panel cleaners everywhere. Tucker® is the oldest name in the industry, delivering the highest quality components with unique features that simplify your day. Made right here in the USA. Each of our Solar Boost water fed poles comes with a water-fed brush designed specifically for solar panel cleaning, 100' of pole tubing, and male and female quick connects.
