Model Number: 20130524

Clean Storm 20130524 Truckmount Rubber Vacuum Cap 2-1/2in For Prochem and Sapphire

Manufacturer: Clean Storm

Clean Storm 2-1/2" Truckmount Vacuum Cap makes a snug fit over 2-1/2" barbed connectors.

Used on dual wand truckmounted carpet cleaning systems to cover the 2-1/2" OD vacuum port that is not in use during single wand use.

Made from Flexible rubber.

2-1/2" ID.

Note this is not the normal truckmount size. 99% of truckmounts use the 2" rubber connector below. Only a few that were made by Legend Brands / Sapphire Scientific had this larger 2.5" size.

Please measure your OD on your vacuum port you need to cover!
