Transfer Flow 0800116637 40 Gallon In Bed Diesel Fuel Tank for Ford Ram GM

Manufacturer: Transfer Flow Inc

Transfer Flow 0800116637 40 Gallon In Bed Diesel Fuel Tank for Ford Ram GM

The Auxiliary Fuel Tank Designed to Fit Ford, Ram and GM Pickup Trucks with long and short beds

The 40-Gallon Auxiliary Fuel Tank System &ndash; Unmatched Compatibility and Convenience

Take your truck further with our 40-gallon in-bed auxiliary fuel tank, the most universally compatible fuel tank available. Designed to fit half-ton pickups, trucks with utility beds, RamBox-equipped models, and vehicles with a factory-installed 5th-wheel prep package or other 5th-wheel hitch, this tank is built for maximum versatility. Its low-profile design allows it to fit seamlessly under most standard tonneau covers, keeping your bed space free for cargo and gear.

Equipped with the advanced TRAX 4&trade; system, our auxiliary tank stands apart with its automatic fuel transfer capabilities, providing a safer, more reliable alternative to traditional gravity-fed systems. As you drive, the TRAX 4&trade; efficiently monitors both your main and auxiliary tanks, transferring fuel at pre-set levels to keep you on the go with peace of mind.

For even greater convenience, the TRAX 4 mobile app elevates your fuel management experience. With a user-friendly interface, you can effortlessly track fuel levels, calculate miles-to-empty (MTE), and oversee fuel transfers&mdash;all from your smartphone. This real-time visibility ensures your refueling stops are strategically planned, keeping you on the road longer.

Why You'll Love It:

Fits under most retractable bed covers

Robot-welded seams for extraordinary strength

Complete installation kit included

TRAX 4&trade; automatic fuel transfers for hassle-free operation

Built from 12- &amp; 14-gauge high-yield U.S. aluminized steel for superior durability

Baffled to prevent fuel sloshing

>

6-year, unlimited-mile warranty

Proudly made in the USA from American-made steel

## TRAX 4 Mobile App

Want to know the status of your on-board fuel systems? Simply download the TRAX 4™ app to your smartphone and enter your vehicle and fuel system information. In no time, you'll be able to monitor your pickup's fuel capacity! During fuel transfer, the message "PUMP ON" will be displayed. With the TRAX 4™ app, you'll be able to monitor:

- Fuel levels shown in your main and auxiliary tanks
- Gallons or percentage of fuel shown in each fuel tank
- Fuel system operating status, including when fuel is being transferred
- Your Distance to Empty in miles

Fits 2008 and newer Ford, 2010 and newer GM/Chevy, Ram trucks

Shipping weight 132 lbs

Use dimensions: 48" L X 19" W X 19-3/8" H

Part number: 080-01-16637 / 0800116637
