CTI Pros Choice 2090C-4, Urine Pretreatment Plus, UPT Case of 4 x 1 Gallon Bottles, UPC 078345003093

Manufacturer: ProsChoice

CTI Pros Choice 2090C-4, Urine Pretreatment Plus, UPT Case of 4 x 1 Gallon Bottles, UPC 078345003093

Description

"Urine Pre-Treatment" is an acidic detergent that dissolves urine residues and assists in rinsing them from the carpet. A must for urine removal. UPT dissolves urine salts and organic contaminants so they can be rinsed more thoroughly out of carpet or fabric. The chemistry of this product also prevents the production of ammonia gasses and urine odor normally associated with cleaning urine deposits. An ideal Pre-treatment, this product leaves the carpet at the ideal pH to accept enzyme type odor destroyers.

Specification

Appearance: Clear Liquid

Odor: Light Scent

PH 3

Flammability: Not Flammable

Solubility in water: Soluble

Directions

Dilute "Urine Pre-Treatment" 1 part UPT to 3 parts water. (For extremely heavy deposits, use full strength).

As with all cleaning agents test for color-fastness before use.

Apply solution liberally to urine deposit. Allow to dwell for 5 to 10 minutes. Steam clean extract thoroughly. Remember the better you clean out the urine deposit, the more successful your odor removal will be.

Safety Cautions

Keep out of reach of children

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material safety data sheet. (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product. Product may be harmful if swallowed. Contact physician immediately. For skin or eye contact, flush area with clear water for 15 minutes. For eye contact, consult a physician immediately.
