Husqvarna PG6s Complete Start-Up Package â€“ 50 Amp 240V System + Vacuum + Cord Kit (Bundle 20260402)

Model Number: 20260402

Husqvarna PG6s Complete Start-Up Package â€“ 50 Amp 240V System + Vacuum + Cord Kit (Bundle 20260402)

Manufacturer: Clean Storm

Husqvarna PG6s Complete Start-Up System – 50 Amp 240V Package Bundle 20260402
ðŸ’¥ Uncrate, Connect, and Start Grinding the Same Day
This system is engineered to eliminate setup guesswork by providing every required component—power, dust control, and tooling—matched specifically for the Husqvarna PG6s platform.
No missing parts. No compatibility issues. No jobsite delays.

ðŸš€ Complete Contractor Start-Up System
Stop wasting time sourcing cords, breakers, adapters, and dust control separately. This package is designed so contractors can uncrate, connect, and start grinding immediately.

â•Œ The Problem Most Contractors Face

- Grinder arrives with no power cord installed
- Wrong plugs or breakers on site
- Dust control not matched to machine
- Project delays = lost labor and missed deadlines

âœ… This Bundle Solves It

- All components matched and verified for compatibility
- Single shipment = no missing parts
- Faster setup and deployment
- Reduced installation errors

ðŸ“¦ What’s Included in Bundle 20260402

- âœ” Husqvarna PG6s Concrete Grinder (24", 240V, 1-Phase)
- âœ” Husqvarna Weight Kit (Increased Grinding Pressure)
- âœ” Husqvarna LED Light Kit (Improves visibility and reduces rework)
- âœ” 50 Amp Plug & Connector Set (CS6365N Male + CS6364N Female)
- âœ” 100 Ft 8/3 Heavy Duty Power Cord (Direct Wire Ready)
- âœ” 50 Amp Breaker Assortment Kit (Fits 95% of Panels)
- âœ” HEPA Dust Collection Vacuum (3 Motor, 335 CFM)
- âœ” Cyclonic Pre-Separator (Improves filtration and airflow)
- âœ” Vacuum Hose & Camlock Adapter Kit
- âœ” Starter Diamond Tooling Set

Husqvarna PG6s Complete Start-Up Package â€“ 50 Amp 240V System + Vacuum + Cord Kit (Bundle 20260402)

âœ” All components are pre-matched and verified for 50 Amp / 240V single-phase operation

âš¡ Power Requirements & Setup

- Requires 240 Volt / 50 Amp / Single Phase power
- Unit is shipped without a factory-installed power cord
- This bundle includes all required cords, plugs, and breaker options
- Installation should be performed by a qualified electrician
- Incorrect voltage or wiring will damage equipment and is not covered under warranty

ðŸ¨ Dust-Free Operation (HEPA System Included)
This system includes a high-performance HEPA vacuum with cyclonic pre-separator designed specifically for concrete grinding applications.

- âœ” Captures fine silica dust
- âœ” Maintains visibility during grinding
- âœ” Improves surface finish consistency
- âœ” Extends vacuum filter life
- âœ” Supports jobsite dust compliance requirements

ðŸ’§ Wet Grinding Note
Images may show a front-mounted water spray system.

- â•Œ Not included in this bundle
- â•Œ Legacy spray systems are obsolete
- âœ” Husqvarna supports dry grinding with HEPA dust extraction

âš¡ Fast Jobsite Deployment

- Pre-configured power system
- No parts chasing or compatibility issues
- Get operational same day

ðŸ’° Why Buy as a Complete System?
Purchasing components separately often leads to incorrect parts, multiple shipments, and costly delays.
This bundle ensures everything works together the first time—saving time, labor, and preventing expensive mistakes.
Incorrect setup or missing components can cost more in downtime than the price of

Husqvarna PG6s Complete Start-Up Package â€“ 50 Amp 240V System + Vacuum + Cord Kit (Bundle 20260402)

doing it right the first time.

ðŸ‘· Ideal For

- Concrete polishing contractors
- Surface prep professionals
- Epoxy flooring installers
- Equipment rental companies

ðŸ•† Why Buy From Steam-Brite?

- âœ” Complete system bundles (not just equipment)
- âœ” All components verified for compatibility
- âœ” Contractor-focused solutions
- âœ” Reduced setup errors and jobsite delays

ðŸ”§ Recommended Add-Ons

- Additional diamond tooling sets
- Spare power cords and plug kits
- Replacement vacuum filters

ðŸ›’ Order Complete System Today
Avoid delays, wiring mistakes, and missing components—get everything required in one shipment and start generating revenue immediately.

Husqvarna 535546301, Weight Kit for PG6 and PG8 Grinder

Product Description
The PG 6 S is a powerful and robust planetary floor grinder with a focus on simplicity. This is a good choice for grinding and polishing jobs, and for users who prefer a non-motorised drive. Easy to use, the PG 6 S has a large capacity thanks to the 24 in / 600 mm grinding width. And because it runs on 16 amperes, it is also a versatile choice for many environments. Adjustable weights for extra grinding pressure are optional.

The hermetically sealed design of the grinding head and electrical cabinet, along with

Steambrite Supply

Husqvarna PG6s Complete Start-Up Package â€“ 50 Amp 240V System + Vacuum + Cord Kit (Bundle 20260402)

the robustness of the components, contributes to high reliability and low maintenance.

Shown with optional accessories: legacy water spray system (now obsolete as of 04-02-2026).
Husqvarna currently supports dry grinding applications using 300+ CFM HEPA dust extraction systems.
Water spray systems are no longer offered as a standard accessory.
Tool holder: EZchange™

ðŸ›’ Order Complete PG6 System Today
Avoid delays, wiring mistakes, and missing parts—get everything you need in one order.

ðŸ“Š Bundle vs Buying Components Separately

Feature	Buy This Complete System	Buy Components Separately
Compatibility	âœ” All components matched and verified	â•Œ Risk of incorrect parts
Time to Deployment	âœ” Same-day setup possible	â•Œ Delays sourcing parts
Electrical Setup	âœ” Correct plugs, cord, and breaker included	â•Œ Trial-and-error wiring

Husqvarna PG6s Complete Start-Up Package â€“ 50 Amp 240V System + Vacuum + Cord Kit (Bundle 20260402)

Dust Control
âœ” Properly matched HEPA system
â•Œ May not meet job requirements

Shipping
âœ” Fewer shipments
â•Œ Multiple shipments / delays

Setup Errors
âœ” Minimized risk
â•Œ High risk of mistakes

Total Cost of Ownership
âœ” Lower (no rework or delays)
â•Œ Higher (labor + downtime)

âœ” Bottom Line: This complete system saves time, reduces risk, and gets you operational faster—so you can start generating revenue immediately.
âš ï¸• High-demand contractor package — components may ship from multiple warehouses. Order early to avoid jobsite delays.
ðŸ“¦ What Happens After You Order

Order is reviewed for component compatibility
Items ship from multiple warehouses if needed
Tracking provided for all shipments

ðŸ›¡ï¸• Warranty & Service Information
All equipment included in this package is covered by the respective manufacturer’s warranty policies.

- âœ” Warranty coverage is provided directly by each manufacturer
- âœ” Replacement parts are supplied for verified warranty claims
- âœ” Most service is handled through authorized service centers or qualified technicians
- âœ” Equipment can be shipped to service locations if needed

Note: Labor, travel, and shipping costs are typically not covered under manufacturer warranties. If a warranty claim is determined to be caused by misuse or improper setup, service charges may apply.

Husqvarna PG6s Complete Start-Up Package â€“ 50 Amp 240V System + Vacuum + Cord Kit (Bundle 20260402)

ðŸ“¦ Shipping & Freight Damage Policy
All shipments are insured and subject to standard freight carrier policies.

- âœ” Any visible damage must be noted at time of delivery
- âœ” Claims are processed based on the specific damaged component
- âœ” Carriers typically cover repair or replacement of affected parts, not full unit replacement unless required

In the event of freight damage, replacement parts are provided to restore the equipment to full working condition.
Please inspect all shipments upon arrival and report any damage immediately.
ðŸ”• Pre-Delivery Inspection Checklist
To ensure your equipment arrives in proper condition and to protect your ability to file freight claims, please complete the following inspection steps at time of delivery:

- âœ” Inspect packaging before signing delivery receipt
- âœ” Look for visible damage such as crushed boxes, punctures, or tipped pallets
- âœ” Note any damage on the delivery receipt before signing (take photos if possible)
- âœ” Verify all items listed in the shipment are received
- âœ” Check major components for visible damage (wheels, frames, motors, connectors)
- âœ” Confirm electrical components (cords, plugs, connectors) are intact

Important: Failure to note damage at time of delivery may limit your ability to file a freight claim.

ðŸ“¦ After Delivery

- âœ” Report any concealed damage within 24–48 hours
- âœ” Retain all packaging materials until inspection is complete
- âœ” Contact us immediately for assistance with claims or replacement parts

âœ” Proper inspection helps ensure fast resolution and keeps your project on schedule.
