Model Number: M80243

Nilfisk Advance M80243 VHB436 2BA 50 KT Battery-Powered Industrial Vacuum with Air Mover and Freight Included

Manufacturer: Nilfisk Advance

Nilfisk Advance M80243 VHB436 2BA 50 KT Battery-Powered Industrial Vacuum with Air Mover and Freight Included

Description

The Nilfisk VHB436 2BA Battery-Powered Industrial Vacuum picks up the most challenging messes to get a spotless clean. Its fast-charging lithium batteries give you flexibility, and its lightweight hose design is easy to maneuver to reach high and low areas. The all-in-one cleaning station improves efficiency by conveniently holding all the necessary tools.

Battery-Powered Efficiency

As Nilfisk's first battery-operated vacuum for industrial settings, this machine prioritizes performance to provide top-tier results. The battery-powered operation lets users clean areas where cables are hazardous, or electricity is unavailable.

- Runtime: The two lithium-ion batteries deliver up to 93 minutes of runtime on a full charge.
- Battery Indicator: This helpful indicator shows the current life of the batteries, with all of the LED illuminated to show a full charge.
- Safety: The cordless design reduces the risk of falls or tripping in crowded areas.

Filtration System

Improve safety and hygiene with this Nilfisk HEPA vacuum. It is complete with multiple layers of filtration to remove debris, dust, food waste, and fine dust particles. The suction power lowers the risk of cross-contaminating and spreading allergens.

- M-Class Polyester Star Filter: This 18-pocket antistatic filter traps up to 99.9 percent of particles 1.5 microns in size.
- Manual Filter Shaker: The top-mounted, operator-powered filter shaker comes standard with this Nilfisk commercial vacuum. If the vacuum feels like it is losing suction, pull the knob in and out several times to release dirt and debris from the filter.
- HEPA 14 Filter: A high-grade HEPA 14 filter in this battery-powered vacuum traps and retains fine particles for safe disposal. Replacement HEPA filters are available for purchase separately.

Additional Features

- Accessories: This Nilfisk vacuum includes accessories for a complete cleaning

>

experience. The low-profile floor nozzle helps manage hard-to-reach sections with a large coverage area, and a scraper easily removes stubborn stickers from floors.

- Container Capacity: The bag contains 13.2 gallons of waste for efficient removal.
- Onboard Charger: Recharge the two lithium-ion batteries with the included 3-meter-long cord.
- Manometer: Check the pressure at a glance with the attached gauge on the front of the vacuum.
- Casters: This industrial vacuum is easy to navigate thanks to durable wheels.
