Karcher 1.106-207.0 K 3000 E Electric Pressure Washer
Description
The Kärcher K 3000 E is the ultimate solution for homeowners who demand gas-equivalent cleaning power with the push-button simplicity and low maintenance of an electric motor. Designed as our most powerful electric model, this machine is centered around a robust induction motor that provides consistent, high-pressure output for demanding tasks like restoring weathered decks, cleaning oil-stained driveways, and refreshing home exteriors. Whether you are a dedicated DIYer tackling a weekend restoration project or a homeowner maintaining a large property, the K 3000 E delivers the professional results you expect from the world’s leading cleaning brand. ts core strength lies in the high-performance induction motor, specifically built to handle extended cleaning sessions on large surfaces like wrap-around decks and two-story home exteriors. This unit allows you to transition quickly from high-intensity cleaning of brickwork to a safe, low-pressure rinse for your car using the 40° nozzle. Storage is equally convenient, as the compact upright design and on-board accessory storage ensure the unit fits neatly in your garage or shed when the job is done. WARNING: This product can expose you to chemicals including lead and Diisononyl phthalate, which are known to the State of California to cause cancer.
