Karcher 1.106-206.0 K 2700 E Electric Pressure Washer

Model Number: 1.106-206.0

Karcher 1.106-206.0 K 2700 E Electric Pressure Washer

Manufacturer: Karcher Pressure Washing

Karcher 1.106-206.0 K 2700 E Electric Pressure Washer
Description
he Kärcher K 2700 E is engineered for the homeowner who requires heavy-duty cleaning power without the maintenance or noise of a gas engine. At its core is a powerful induction motor, which is specifically designed to handle long cleaning sessions on large surfaces like wrap-around decks, multi-car driveways, and two-story home exteriors. Delivering a potent 2,700 PSI, this unit provides the high-pressure output necessary to strip away weathered stains and restore curb appeal with professional efficiency. Its core strength lies in the high-performance induction motor, specifically built to handle extended cleaning sessions on large surfaces like wrap-around decks and two-story home exteriors. This unit allows you to transition quickly from high-intensity cleaning of brickwork to a safe, low-pressure rinse for your car using the 40° nozzle. Its universal M22 and 1/4" quick-connect fittings ensure total compatibility with industry-standard accessories, making it a versatile and powerful solution for comprehensive home maintenance. WARNING: This product can expose you to chemicals including lead and Diisononyl phthalate, which are known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov
