Manufacturer: Karcher Pressure Washing

Karcher 1.602-827.0 K 3 Horizontal FC

Description

By combining the portability of a handheld pressure washer with the advanced cleaning power of a dedicated foam cannon, the K 3 Horizontal FC turns a standard garden hose into a high-performance cleaning system. It is specifically designed for users who need to wash cars, motorcycles, and outdoor decor without sacrificing garage floor space. The foam cannon provides a professional-level soap application, creating a thick lather that lifts dirt before you begin to rinse. This foam cannon is compatible with most pressure-washer-safe detergents, giving you the flexibility to use your preferred cleaning agents for a custom finish. The inclusion of a stainless steel spray wand and M22 connections provides a level of durability and leak protection usually reserved for industrial-grade equipment. Inside the unit, the non-corrosive N-Cor pump ensures you never have to worry about rust or internal wear over time. This machine is powerful enough to strip mud from off-road vehicles yet gentle enough for cleaning kids' play equipment or wood finishes when using the wider spray nozzles. Its compact, horizontal design makes it easy to transport around your property, while the low center of gravity ensures it remains upright and stable during use. Whether you are a weekend warrior or a busy parent, the K 3 Horizontal FC makes quick work of stubborn messes while being small enough to hide away in a utility closet. WARNING: This product can expose you to chemicals including lead and Diisononyl phthalate, which are known to the State of California to cause cancer.
