Husqvarna 970817301, LF 75 PACE Asphalt and Soil Machine, Forward Plate 420mm, Compactors, GTIN 6151818034085

Manufacturer: Husqvarna Equipment

Husqvarna 970817301, LF 75 PACE Asphalt and Soil Machine, Forward Plate 420mm, Compactors

Description

LF 75 PACE is a fast-operating forward plate compactor designed to efficiently compact soil and asphalt, such as driveways and parking lots. Powered by the Husqvarna PACE battery platform, it can deliver the same performance as equivalent petrol versions. Use it for a wide range of repair and maintenance work, including general contracting, landscaping, hardscaping and infrastructure applications. Built for durability and low maintenance, LF 75 PACE is easy to use and operate. Because it produces no direct emissions or exhaust fumes, LF 75 PACE can contribute to a cleaner working environment for the operator. The battery and charger can be used together with other Husqvarna machines on the PACE battery platform.

Features

- No direct emissions during use
- High productivity and efficiency
- Long run time
- Work in comfort for longer
- Low cost of ownership
- PACE battery platform
- The right amount of water
- Easy to use
