Features and Benefits

Compact device design

- Convenient storage of the spiral hose and trigger gun under the removable water tank.
- Easy to transport, with space-saving storage.

Integrated lithium-ion battery

- Mobile cleaning independent of a power source. Long battery runtime, meaning it can be used several times before it must be recharged. The LED warns you when the battery is low.

Efficient, but gentle low pressure

- Low pressure offers the advantage that cleaning is both efficient and extremely gentle at the same time. The standard nozzle with flat spray enables visible cleaning performance. The cone-spray nozzle is ideal for more sensitive cleaning of dog paws.

Wide range of accessories

- Various applications can be expanded and perfected with additional accessories.
- An adventure box, bike box and pet box, as well as a practical storage box, are available and can be mounted on the device. Sold separately.

>

Detachable water tank

- Can be easily filled up in the house.
