Malish 812910, Nylon Carpet Cleaning Shampoo Brush, 10inch, Black and White, Wood Block, Orbital Machine, GTIN 6-15129-12910-7
Description
The best quality brush for this application. Nylon is flexible and supple enough to gently scrub carpets, yet has more “memory“ than other fibers for a longer lasting brush. No break-in process required.

On brushes 14″ in diameter and larger, the two outer rows are heavier to scrub the carpet and flex the pile while the softer inner rows “massage” the dirt from the carpet for a deeper cleaning action.
