Malish 824017, 17 inch Aluminum Back Diamond Disc Pad Drivers, Orbital Machine, Clutch Plate Included

Manufacturer: Malish

Malish 824017, 17 inch Aluminum Back Diamond Disc Pad Drivers, Orbital Machine, Clutch Plate Included

Description

Features a special face material which provides excellent holding power for diamond discs and a variety of floor pads. This heavy duty cast block (11 lbs.) provides ultimate rigidity when used with diamond discs and extra weight needed when used in polishing, scrubbing or grinding applications. Includes 1-1/4" riser and NP-9200 clutch plate.

\$457.20
