Car Wash & Auto Detailing

Turbo Towel

Features:

- Mounts on wall or in attic of in-bay self serve car wash
- Ties directly to meter box
- Dimensions 10" W x 10" D x 19.5" L
- Turbo Towel is the first and only blower on the market with heated air
- Turbo Towel uses (1) 120 volt high-performance blower motor
- Use Turbo Towel to quickly dry off the exterior of your car
- Blast water out of cracks and crevices
- Dry floor mats and carpets in a matter of minutes
- Great for drying motorcycles, chrome wheels, mirrors, and engine compartments
- Internal heating element heats the air up to 120 degrees to provide a streak and spot free finish
- Thermostatically controlled heating element
- Nozzle velocity exceeds 200+ miles per hour
- Prevent scratches and marks caused by standard hand towel and chamois drying
- Eliminates storage and transportation of wet towels
- Includes a 2" x 30" high temperature hose
- Turbo Towel is Eco-Friendly too!

    - Minimize landfill waste from purchased and non recyclable products
    - Eliminates storage and transportation of wet towels
