PMF C15106ST-TF Teflon Glide Tool Perforated Curtain Cleaning Wand 6in Wide 1000Psi Brass Valve 1.5 Inch Stainless Steel Pipe

Model Number: C15106ST-TF

PMF C15106ST-TF Teflon Glide Tool Perforated Curtain Cleaning Wand 6in Wide 1000Psi Brass Valve 1.5 Inch Stainless Steel Pipe

Manufacturer: Production Metal Forming

PMF C15106ST-TF Perforated Curtain Cleaning Tool – 6 Inch Wide Brass Valve Wand – 1000 PSI with Teflon glide
The PMF C15106ST-TF Teflon Perforated Curtain Cleaning Tool is designed specifically for professional drapery, curtain, and delicate upholstery cleaning applications. Unlike conventional upholstery tools that can pull fabric into the vacuum slot, the perforated vacuum edge distributes airflow evenly to protect delicate materials while maintaining excellent moisture recovery.
Manufactured in the USA by Production Metal Forming (PMF), this professional-grade tool features all-stainless-steel construction, a durable brass control valve, and a high-pressure solution whip rated for up to 500 PSI. The 6-inch cleaning head allows technicians to clean larger sections of fabric faster while maintaining excellent control.
Key Features

- 6-inch wide cleaning path increases productivity on large drapery panels.
- Perforated vacuum edge prevents delicate fabrics from being pulled into the vacuum chamber.
- Integrated spray system applies cleaning solution similar to an upholstery tool.
- Heavy-duty brass valve rated for professional daily use.
- 1000 PSI operating pressure capability.
- High-pressure solution whip included.
- All stainless steel body, tube, hardware, nuts, and bolts.
- Made in the USA by PMF.
- Suitable for drapery, curtains, valances, fine upholstery, and fabric partitions.
- Replaceable PTFE glide

Frequently Asked Questions
Can this tool be used with truckmount systems?
Yes. The brass valve and stainless construction are designed for professional truckmount and portable extractor use.

Steambrite Supply

PMF C15106ST-TF Teflon Glide Tool Perforated Curtain Cleaning Wand 6in Wide 1000Psi Brass Valve 1.5 Inch Stainless Steel Pipe

Why choose a Teflon glide?
The PTFE glide reduces friction against delicate fabrics, allowing smoother operation and reducing wear on both the tool and the fabric.
Is the glide replaceable?
Yes. The PTFE glide can be replaced when worn, extending the life of the tool.
Can this be used for upholstery cleaning?
While optimized for curtains and draperies, many professionals also use PTFE glide tools on delicate upholstery fabrics.
Why use a perforated curtain tool?
The perforated vacuum edge spreads vacuum airflow across multiple openings, reducing the possibility of lightweight fabrics being drawn into the vacuum slot while still providing excellent moisture recovery.
Can this tool clean upholstery?
Yes. Many technicians use perforated curtain tools on delicate upholstery fabrics where maximum fabric protection is desired.
What pressure should I use?
Most drapery cleaning applications are performed between 50 and 300 PSI depending on fabric type and cleaning chemistry.
Is this tool made in America?
Yes. PMF manufactures these tools in the USA using professional-grade stainless steel components.
Why Professional Cleaners Choose PMF
For decades PMF has been one of the industry's leading manufacturers of carpet wands, upholstery tools, valves, and specialty extraction equipment. The C15156B combines durability, fabric safety, and professional cleaning performance into one specialized drapery-cleaning solution.

Production Metal Forming Inc. is the largest manufacturer of carpet wands, upholstery tools, valves and other accessories for carpet and upholstery cleaning industry. We created the patented Hide-A-Hose and the patented Internal Spray Detailer. We also make proprietary items for OEM manufacturers of the industry. PMF's reputation is built on first-rate customer service and quality products "Made in the USA."
Curtain Cleaning Tool 6in (Brass Valve)
C15156ST-TF, Stainless valve

Applies cleaning solution just like an upholstery tool
Perforated vacuum edge prevents fabrics from being sucked into vacuum chamber
Great for cleaning fine upholstery fabric also
All stainless steel including nuts and bolts
Please note that the 6" tool will not have edge splash guards on them. The factory does not have a photo of the 6" wide tools.
