Malish 30184, Reefer Broom, 24inch, Floor Sweeps, Corrugated Floors, Case of 12, Janitorial Cleaning Brushes
Case of 12
Description
The Reefer Broom by Malish is specifically designed for sweeping floors in refrigerator trailers and shipping containers. This improved design fits most corrugated floors, has added center bristles for single pass sweeping, and stiffer bristles for more effective cleaning.
Use in combination with your washouts:

- As a prep tool, remove debris prior to washout
- After a washout, quickly clear standing water
- Remove loose debris quickly in-between washouts
