Manufacturer: Malish

Malish PROF2636MB, 58inch Privacy Seal Round, 6 Pack, Janitorial Cleaning Equipment
Case of 6
Description
Privacy Seal is a privacy cover solution for public restrooms, commercial bathrooms and dressing rooms where users may feel uncomfortable and insecure as a result of stall partition imperfections or “gaps”. These gaps can be sources of anxiety and vulnerability making an occupant feel nervous and exposed. Privacy Seal helps provide an individual with a safe and secure experience by affording personal privacy in a shared space.

Privacy Seal’s unique Flex Finger Grip design means no tape, no bolts, and no fasteners of any kind providing a quick, easy and secure installation. Privacy Seal covers the restroom partition gaps to give users a more comfortable experience.
Features

- Blocks gaps between door and pilaster for both sides
- No mechanical fasteners required
- Easy to install: just measure, cut, and press into place
- All plastic design
- Low cost alternative to replacement partitions
- Designed to fit either round or square edge door styles
