Model Number: 970850004

Husqvarna 970850004, Dust and Slurry Extractor DE 120 SH, 2.45hp, 120V, 1ph, Dust & Slurry Equipment

Manufacturer: Husqvarna Equipment

Husqvarna 970850004, Dust and Slurry Extractor DE 120 SH, 2.45hp, 120V, 1ph, Dust & Slurry Equipment

Description

DE 120 SH is a versatile H-class dust extractor that is compact and easy to transport, yet powerful. Designed for use with larger handheld power tools, floor and hand grinders, scarifiers and more, its performance and sturdiness make DE 120 SH ideal for demanding, heavy-duty applications. Its high water-ingress protection enables fast and efficient decontamination.

Features

- High performance
- A focus on safety
- Optimised accessory range
- Thoroughly tested essential filters
- Easy to clean and maintain
- Easy to transport
- Improved Longopac attachment system
