Description
The US Products Pegasus Pro 50-500 PSI is a commercial carpet extractor (model 05-10038) built for professional carpet cleaning contractors. The dual vacuum system provides the water lift needed for moisture recovery and reduced dry times after extraction.

The Pegasus Pro 500H occupies the high-performance position in the US Products Pegasus line. For IICRC-certified cleaners, the machine-only configuration (05-10038) allows pairing with the specific wand and hose set from an existing setup.
