Description

The U.S. Products Cobra Max 500H is a powerful, portable, and lightweight extractor designed for professional carpet and upholstery cleaning. Equipped with a 1750W heater, it delivers optimal soil breakdown for deeper and more effective cleaning results.

Built with a compact frame, this unit is easy to maneuver and ideal for navigating tight spaces. The Cobra Max 500H features an adjustable 50–500 PSI pump, allowing for customized cleaning performance based on application needs.

Powered by dual 5.7" 3-stage vacuum motors, the machine produces 180" of lift and 107 CFM, maximizing moisture recovery and reducing drying times. Proudly built in the USA, this unit is designed for durability and high performance.
