Clean Storm ATT4115DSQU, 4in Square Closed Spray Upholstery Detail Tool, 1.5in Tube, Male QD

Manufacturer: Clean Storm

Clean Storm ATT4115DSQU, 4in Square Closed Spray Upholstery Detail Tool, 1.5in Tube, Male QD

Description

The ATT4115DSQU is a heavy-duty, professional 4" square-headed closed spray detail upholstery tool engineered for professional carpet cleaner extractors and detailers.

Designed for commercial longevity, this tool features highly robust component specifications optimized for deep cleaning tightly enclosed areas like automotive interiors, couches, and stairs.

Specifications

Head Width: 4 inches with a square configuration

Tube Diameter: 1.5 inches

Overall Length: 11 inches

Nozzle Profile: Single #9502 spray jet tip delivering a precise 95-degree fan pattern

Material Construction: Polished heavy-duty stainless steel built to resist corrosion and chemical degradation

Features

Closed Spray Design: Features a specialized built-in splash guard hood over the jet nozzle. This design retains heat, prevents atomized overspray from dampening surrounding fabrics, and maximizes vacuum suction concentration directly at the tool head.

Forged Brass Control Valve: Features a durable brass offset valve configuration rated to handle professional-grade high pressures and temperatures without leaking.

High-Pressure Whip Line: Comes equipped with a flexible, heavy-duty solution line secured by commercial factory swaged fittings to ensure user safety under pressure.

Standard Male Quick Disconnect (QD): Includes a pre-installed standard brass male quick connector, rendering it universally compatible with most industry carpet cleaning machine solution hoses.

Applications

Automotive upholstery detailing and deep floor mat extraction

Heavy-duty staircase and stair nose cleaning

Delicate or tightly woven residential couch and furniture fabrics

Tight crevice cleaning where wider extraction wands cannot maneuver

>

Optional:

Optional
