Mosmatic 78.290 Tile and Grout 8in Spinner Wand Tight Hard to Reach Areas Walls Air Water Recovery FL-AER 200 Long handle

Tile and gout cleaning wand for indoors and out!
THE SMALL MODEL WITH RECOVERY
The Mosmatic surface cleaner with recycling vacuum function is perfectly suited for cleaning small surfaces indoors and outdoors. The dirty water is suctioned, treated by the mobile recycling system and then used again for the same cleaning process. The machine is designed for professional cleaning and long-lasting durability. Works on both walls and floors. Can also be used for cleaning ocean ship liner to remove oil from oil spills or general maintenance.
Designed to work at 2 to 6 gpm at 1000 to 4000 psi.

Unlike other tile wand, this tool can be used outside just as well as inside. The casters and brush lip design work perfactly for all surface types.

Great tile and grout cleaning wand and tool for use with truckmounted carpet cleaning equipment or use your pressure washer with vacuum recovery.

RECYCLING FUNCTION
The used water including the residue is suctioned through the double-walled housing. Using a recycling system, the water can be recovered. The process is eco-friendly because the water that has already been used during cleaning can be used again. Vacuum connection is for 2" hose with or without a vacuum hose cuff. You can also use 1-1/2" ID vacuum hose with the optional AH46 Expanded hose cuff.

BENDABLE SWIVEL JOINT
This swivel is perfect for cleaning many surfaces and walls without fatigue. Thanks to the swivel joint design. It is reinforced with self lubricating, stainless steel ball bearings with a carbide gasket system. They are specially designed for high revolutions ensuring long lasting durability.

RELAX-ACTION FUNCTION
Ease of use and fatigue-protection thanks to a high-pressure pistol with ergonomic relax-action function.

SPLASH PROTECTION
The brush ring prevents splashing and injuries from loose pebbles. It is soft and elastic but extremely effective thanks to the thickness of the bristles.

INOX CASTORS
The surface cleaner can be manoeuvred easily and quickly, saving you time and energy. This is also the case for smaller models with plastic castors.

POLISHED STAINLESS STEEL (INOX)
A Robust and an optically elegant design are the priorities Mosmatic sets for its products. There is no question of using anything but polished stainless steel (INOX) for all of our products.

PRE-ASSEMBLED
The surface cleaner is delivered almost completely pre-assembled. After opening the carton, the wand just has to be attached to the bendable swivel joint and high-pressure pistol according to the instructions enclosed. The surface cleaner is then immediately ready for operation.
Please note the Mosmatic tools do not come with any quick disconnects (QD) to hook the spray gun to the pressure washer or tile cleaning machine machine. The gun is threaded with 3/8" Female International Pipe (FIP) connection. Please add the correct pressure washing QD and/or carpet cleaning QD do your order.
Smaller packaging allows for US Postal shipping around the world!
