Description
Husqvarna CP 9 is a professional floor scarifier designed for high productivity without compromising on transportability, ergonomics or simplicity.

This machine is an excellent choice for concrete and steel surface preparation, thick coating removal, texturing, levelling, profiling and creating adhesion profiles. With a 9-inch (225 mm) working width, this robust scarifier is effortless to maintain and quick to decontaminate.

Intuitive controls and user-friendly features help operators achieve consistent results with limited training and minimal chance of misuse. Turnaround between jobs is fast with the revolutionary Husqvarna tube refill kit – a patented system featuring pre-filled tooling tubes that refill drum shafts instantly. The machine is also available in petrol and battery versions, which provide the added flexibility of cordless operation. The machine is also available in corded and battery versions.

Included: Full drum (with Tacti-Cutter™ Tungsten carbide wheels)
Not included: milling cutters, star wheel cutters, edge drum, wall guidance, Elite-Shave blades™, Aspen 4
