Karcher 6.365-052.0 Groved Ring 20 X 28 X 6/8 EACH EAN 4002667186178

Model Number: 6.365-052.0

Karcher 6.365-052.0 Groved Ring 20 X 28 X 6/8 EACH EAN 4002667186178

Manufacturer: Karcher Pressure Washing

Karcher 6.365-052.0 Grooved Ring — 20 × 28 × 6/8
Replacement grooved sealing ring for equipment that specifies Karcher part number 6.365-052.0. Also written as 63650520, this part carries EAN 4002667186178. Confirm the part number in your equipment’s illustrated parts list before ordering.
Sold individually: Each quantity ordered is one grooved ring. This listing is for the ring only, not a complete pump seal kit. Check your parts diagram for the number of rings required for your repair.

Verify Compatibility Before Ordering
Parts can vary between equipment versions and serial-number ranges. Match 6.365-052.0 to the illustrated parts diagram for your exact machine. Similar appearance or measurements alone do not confirm compatibility.
Installation and Ordering Notes

- Follow the manufacturer’s service instructions for seal orientation, installation and any specified lubricant.
- Disconnect power and release system pressure before servicing equipment.
- Inspect related sealing components during service and order any additional parts separately.
- Website availability for purchase does not confirm local warehouse stock. Contact Steam-Brite if you need to verify availability or a delivery deadline before ordering.

Photo reference: Product images are for identification and reference. Orders are fulfilled by the part number ordered. Verify compatibility before purchase.
