Model Number: 40300SS

Kleenrite 40300SS Tile Cleaning Spinner Wand Formally Hydroforce SX12, and Sandia Plastic 10-0859

Manufacturer: KleenRite

KleenRite 40300SS Tile & Grout Cleaning Spinner Wand

The KleenRite 40300SS is a spinner wand for tile, grout and hard-surface cleaning.

Use it with a pressure solution system and vacuum recovery to rinse the surface and collect the spent cleaning solution.

Factory build time: Allow approximately 3 weeks for production, plus shipping transit time.

Operating requirements: 850–1,500 PSI and a vacuum recovery system.

Product Specifications

Brand
KleenRite

Part number
40300SS

Tool type
Tile and grout cleaning spinner wand

Required operating pressure
850–1,500 PSI

Recovery requirement
Vacuum pickup / recovery system

Factory production time
Approximately 3 weeks, plus shipping transit time

Equipment Required for Operation

Equipment: Hard Surface Cleaning Supplies > Pressure Washer Accessories > Surface Cleaners-Brooms-Spinner Wands-Twister Vacs-Under Carriag > Kleenrite 40300SS Tile Cleaning Spinner Wand Formally Hydroforce SX12, and Sandia Plastic 10-0859

Kleenrite 40300SS Tile Cleaning Spinner Wand Formally Hydroforce SX12, and Sandia Plastic 10-0859

This wand requires both pressurized cleaning solution and vacuum pickup. Connect it to a system that supplies 850–1,500 PSI and provides vacuum recovery for the extracted liquid. The wand itself does not supply pressure or vacuum.
