Husqvarna 593499901 Socket Screw MFT M8x16 8.8 FZB HTC Floor Grinder OEM Replacement

Model Number: 593499901

Husqvarna 593499901 Socket Screw MFT M8x16 8.8 FZB HTC Floor Grinder OEM Replacement

Manufacturer: Husqvarna Equipment

Husqvarna 593499901 Socket Screw MFT M8X16 8.8 FZB – Genuine OEM
HTC Floor Grinder Replacement Part

Manufacturer: Husqvarna Construction Products / HTC

Manufacturer Part Number: 593499901

Alternate Part Number: 593 49 99-01

Product Description: SCREW MFT M8X16 8,8 FZB

GTIN / EAN: 7391736537179

The Husqvarna 593499901 is a genuine OEM metric machine screw used in selected
Husqvarna and HTC professional concrete floor grinding machines.

This M8 x 16 mm screw is manufactured to metric strength class 8.8 specifications
and features a zinc-plated finish for corrosion protection.

The screw is used in grinding holder assemblies and associated mechanical
connections on compatible HTC floor grinders.

Sold individually. Quantity 1 = One screw.

Technical Specifications

Specification Details

Manufacturer
Husqvarna / HTC

OEM Part Number
593499901

Manufacturer Description
SCREW MFT M8X16 8,8 FZB

Thread Diameter
M8 (8 mm nominal diameter)

Thread Length
16 mm nominal screw length

MFT M8x16 8.8 FZB HTC Floor Grinder OEM Replacement

Husqvarna 593499901 Socket Screw MFT M8x16 8.8 FZB HTC Floor Grinder OEM Replacement

Thread Type
Metric machine thread

Strength Class
8.8

Finish
Zinc plated (FZB)

Manufacturer Reference
MFT M8X16

Additional Supplier Specification
DIN 799 designation

GTIN / EAN
7391736537179

Quantity
1 screw

Important: The manufacturer's abbreviated DIN 799 designation does not conclusively establish the screw's head configuration. Verify the required head style against the original fastener or equipment parts diagram before substituting generic hardware.

Compatible Husqvarna and HTC Floor Grinders

Husqvarna part number 593499901 appears in manufacturer parts documentation for several HTC professional floor grinding machines, including:

- HTC Duratiq T5 – Grinding holder assembly
- HTC 950 RX – Grinding holder assembly
- HTC 1500iXT – Grinding holder assembly

The screw is associated with grinding holder and cross-member assemblies.
Note: Compatibility depends on the machine's specific configuration, production version, and assembly. Confirm part number 593499901 in your equipment's

What Does M8X16 8.8 FZB Mean?

The manufacturer's fastener designation identifies several important specifications:

- M8: Metric screw thread with an 8 mm nominal outside diameter.
- 16: Nominal screw length of 16 millimeters.
- 8.8: Metric fastener property class identifying mechanical strength.
- FZB: Zinc-plated surface finish for corrosion resistance.
- MFT: Manufacturer's screw-type designation.

These specifications are important when selecting replacement hardware for grinding equipment subjected to vibration and mechanical loading.

Typical Applications

The Husqvarna 593499901 screw is used in mechanical assemblies found on compatible HTC concrete grinding equipment.

- Grinding holder assembly maintenance
- Cross-member assembly repairs
- Replacement of missing or damaged original fasteners
- Preventive maintenance of floor grinding equipment
- OEM parts replacement during grinder servicing

Always use the manufacturer's recommended tightening torque and installation procedures when replacing fasteners in grinding assemblies.

Genuine Husqvarna OEM Replacement Part

Ordering by original manufacturer part number helps ensure that the replacement fastener matches the equipment manufacturer's specified dimensions, material
