HydraMaster 000-159-267 110-Gallon Truckmount Fresh Water Storage Tank ONLY with Wheel Well NO LOGO - WHITE - RAW

Manufacturer: HydraMaster

HydraMaster 000-159-267 110-Gallon Truckmount Fresh Water Storage Tank ONLY with Wheel Well Cut Out / NO HARDWARE /NO LOGO - WHITE - RAW

Description

Upgrade your truck mount setup with the durable 110-Gallon Fresh Water Storage Tank featuring a convenient wheel well cut out on the back side. Constructed from ultra-thick roto-molded polyethylene, this universal over-the-wheel-well tank is built to withstand rigorous daily use.

Features

- Capacity: Holds 110 gallons of fresh water with easy-to-see water levels.
- Durable Build: Ultra-thick wall polyethylene construction designed for longevity.
- Wheel Well Design: Engineered to fit securely over the wheel well with a custom cut-out on the back side.
- Complete Hardware Kit: Not included
- No float valve for automatic shut-off, No dump valve for easy flushing (installs on either side), a molded chemical storage tray for gallon bottles, and No brass QDC garden hose hook-up.
- Warranty: Backed by a One Year Warranty.
