Clean Storm 20180126, Pet Odor Removal & Urine Stain Control Starter Package

Manufacturer: Clean Storm

Clean Storm 20180126, Pet Odor Removal & Urine Stain Control Starter Package

Description

Expand your professional carpet cleaning business and boost your revenue by offering specialized pet urine locating, odor control, and stain removal services. The Clean Storm 20180126 Starter Package provides all the essential tools required to accurately locate hidden biological problems and deliver effective topical or sub-surface treatments to your customers. Purchasing this comprehensive starter bundle also offers significant savings compared to buying each component individually.

Features

- Includes the Clean Storm Shazaam UV Flashlight Kit for fast and precise detection of body fluids and pet urine
- Features the Clean Storm Pet Odor Control Start Up Bundle for tackling tough household odors at the source
- Equipped with the StainOut Systems SOS Pro with Flush Kit for deep sub-surface extraction and flushing
- Designed specifically for professional carpet cleaners looking to expand their service offerings
- Cost-effective bundle that saves money compared to individual item purchases
